

11/27/84

Dear Contributor:

Thank you for submitting your program to Ahoy! Unfortunately, it failed to meet our requirements, for the reason(s) checked below. We are currently in the process of rewriting our programmer's guidelines, and as soon as they have been completed, we will forward a copy of them to you.

- ☐ Lack of color
- ☐ Lack of sound
- ☐ Lack of prompts
- ☐ Lack of documentation
- ☐ Lack of disk/tape save option
- ☒ Too specific hardware/software configuration

*IN CAN'T LOAD*

If you wish to correct the problem(s) indicated and resubmit the program, we would be happy to look at it again. You could either do this now, or wait for the reference guide.
